

# The Shopping Cart

Written and illustrated by: Nilah Harris

My family went shopping  
Together.

Right away my mommy  
put in 72 bottles of water

My brother, Josiah put 10 oranges  
in a shopping cart filled with  
healthy foods.

$$72 + 10 = 82$$

My sister, Naomi  
put in 10 red strawberries.

$$82 + 10 = 92$$

My Daddy put in 10 ripe  
tomatoes in a shopping cart filled  
with healthy foods,

$$92 + 10 = 102$$

My brother, Joshua put in  
10 baby carrots in a  
shopping cart filled with  
healthy foods.

$$102 + 10 = 112$$

I put in 10 sweet potatoes  
in a shopping cart filled with  
healthy foods.

$$112 + 10 = 122$$

Our shopping is done! Mommy  
took 10 sweet potatoes out of  
a shopping cart filled with healthy  
foods.

$$22 - 10 = 12$$

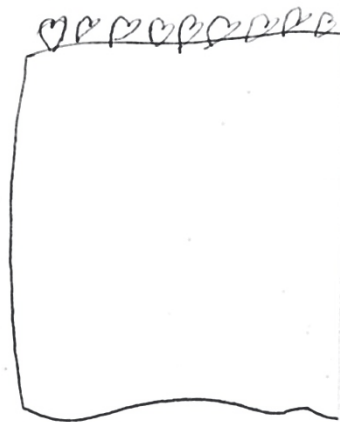

Daddy took 10 baby carrots  
out of a shopping cart filled  
with healthy foods.

$$112 - 10 = 102$$

My Brother Joshua took 10 red strawberries out of a shopping cart filled with healthy foods.

$$102 - 10 = 92$$

I took 10 oranges out of  
a shopping cart filled with  
healthy foods.

$$92 - 10 = 82$$

My sister, Naomi took  
10 ripe tomatoes out of  
a shopping cart filled with  
healthy foods.

$$82 - 10 = 72$$

My brother, Josiah took 12  
bottles of water out of  
a shopping cart filled with  
healthy foods.

$$12 - 12 = 0$$

We paid the cashier. She put  
our food in bags. Then she put the  
bags in a shopping cart filled  
with healthy foods.
